MAY MEETING INFORMATION

We are having Mr. Keats, from the Golden Horseshoe Woodturners Guild, visit our club to put on a demonstration for us. We hope all our members will be able to attend and show our support to the club as well as to learn from this experienced turner.

At the end of the meeting, members are free to make use of our equipment. Bring in your tools that need sharpening; ask for help with any turnings you may be having problems with. Try something new, with the help and suggestions of fellow members. All of us can be both teacher and student!

Members who have or wish to sign up to help with the classes in Southampton this summer, August 5th to 8th, please plan to stay at the end of the meeting to make some decisions on getting ready for this endeavour. **Bring a lunch to eat before we begin.**

HELP REQUIRED FOR FOLLOWING DATES

August 5th to 8th	Southampton Summer School	Adults	9:00 to Noon
		Children	1:00 to 4:00

Volunteer for 4 days, one day, half a day, whatever your time schedule allows. You do not need to be an experienced turner to help out!! Especially for the afternoon sessions with the children.

August 8th & 9th Welbeck Wood Expo

We have a couple of members who stay all day at this Wood Expo, but we would like volunteers to sign up for 1-3 hour stretches to give them a break. You can do some turning if you like (bring your tools and some wood) or just talk to the visitors at the booth about turning and our club.
