Wig Stands for Cancer – Donated to The Owen Sound Hospital Oncology Department in April 2018

“Please pass on our huge thanks to all the craftsmen” from the Owen Sound Hospital Oncology Department!

Glenn Lucas Demonstration & Workshop April 12 & 13, 2018

Glenn Lucas, the internationally-recognized woodturner from Co Carlow, Ireland, did an all-day demonstration/presentation at the GBWG facility in Port Elgin. The day was a great success with 35 members of 3 different guilds in attendance.

Some of the amazing work being done by our members, displayed at the workshop.

The Workshop was a great learning opportunity for the 9 members who participated. Glenn very ably lead us through the creation of an Irish Platter. He also included very valuable information on tool selection, sharpening and good technique.

What a great group of turners!

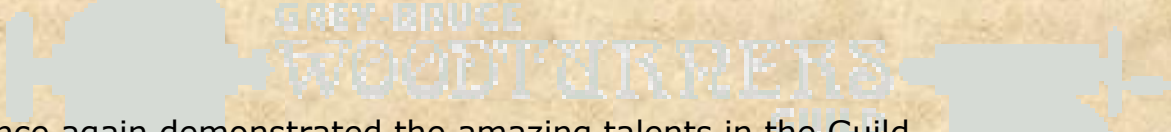

May Meeting

Neal Hardie demonstrated how to make a whistling spinning top, & showed us an amazing array of tops!

Neal is clearly enjoying the fruits of his labour!

Show & Tell once again demonstrated the amazing talents in the Guild.

We also saw Lori Davis's very first bowl! Great job Lori!

Grey-Bruce Turnfest in October, 2018

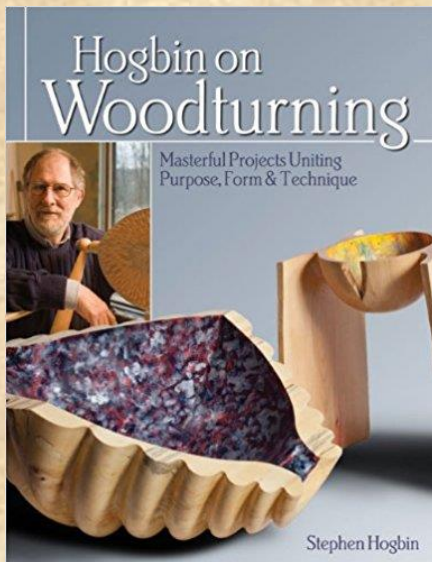

Saturday, October 20th, 2018 and Sunday, October 21st, 2018

Stay Tuned!! Stay tuned for more information as we firm up presenters & dates!
Art Liestman, Vancouver has confirmed his attendance as our featured demonstrator, along with Stephen Hogbin!

Art has demonstrated at many national and regional symposia, as well as for dozens of local woodturning clubs. He has also taught week long courses at the John C. Campbell Folk School and at the Arrowmont School of Arts and Crafts as well as some single day classes for local clubs. His work has been seen in numerous exhibitions and is available through galleries across North America.

Stephen Hogbin is a world-renowned artist in wood, and changed how many looked at wood turning. His latest venture is the Intersections Wood Gallery and Studio, where excellence meets quality, located in Owen Sound.

Community Support & Outreach by the Guild

The Grey Bruce Woodturners Guild was established as a fellowship of turners "dedicated to providing **practical facilities, education and information** to those interested in advancing and promoting woodturning".

However, we have become much more as we continue to increase our community outreach through our Bravery Beads Program (over 60 bowls donated), our Wig Stands for Cancer Program (over 15 wig stands donated), demonstrations at events & in the Bruce County Museum.

We will also be participating in the Scottish Festival in Kincardine including an “Empty Bowls” fundraiser with proceeds going to the local foodbank.
